As one of the leading European business centres at the heart of Europe, Frankfurt and the Rhine-Main region offer key advantages as a trade fair location. Their enviable reachability and excellent air, rail and road transport connections mean that visitors can travel there from near and far quickly and easily. The Frankfurt exhibition grounds are located in the centre of the city. With the S-Bahn suburban train, it takes around 15 minutes to travel from the airport to the Central Station. From here, four suburban train lines run every five minutes to the “Messe” station located directly on the exhibition grounds – and an underground and tram stop are located at the City entrance. There are 4,300 parking spaces on the exhibition grounds as well as a further 15,000 in the Rebstock car park and 5,400 in the multi-storey car park. From here, visitors can use the free shuttle bus service to the exhibition grounds. The Rhine-Main region offers an excellent hotel infrastructure with an estimated 110,000 beds.

The company is publicly owned, with the City of Frankfurt holding 60 percent and the State of Hesse 40 percent.
