2. Description of services to be provided

Stageservice Frankfurt am Main GmbH shall arrange for the provision of set-up and dismantling assistants on the basis of the exhibitor order. Stageservice Frankfurt am Main GmbH makes sure that all of your orders are dealt with promptly, and maintains an order desk in the office on the exhibition grounds during the advance and regular set-up and dismantling periods. Instead, the supervisor will, following consultation with the customer, be invoiced to the customer by Stageservice Frankfurt am Main GmbH. For this purpose, Stageservice Frankfurt am Main GmbH will submit a corresponding offer to the customer, which the customer must accept if they would like to utilise the supervisor.

Subsequent changes to the period booked that are made by the customer:

- The customer can shorten the period booked at any time, but must still pay for the entire period if it is not possible to find other duties for any assistants that were booked.
- It is fundamentally possible to extend the original period booked following consultation with Stageservice Frankfurt am Main GmbH, but this cannot be guaranteed. If the staff that were booked have already been scheduled to perform a different task following the period originally booked, Stageservice Frankfurt am Main GmbH will attempt to find a replacement assistant.
