## Parking and traffic regulations „at a glance“ Heimtextil

### Registration during set-up and dismantling

Exhibitors, stand construction companies and freight forwarders must register in advance online, allowing them to easily download and print their own registration confirmation form. You can drive to the specified Check-In with this registration confirmation form. Please follow the signs. The registration information will be scanned in at the Check-In, where they will determine whether a loading zone is available for you. As soon as a loading zone becomes available, you will be given an authorisation form allowing your vehicle to enter the exhibition grounds, along with the gate through which you should enter. The direct link to the online registration is: <https://einfahrt.messefrankfurt.com/ees/deliverer>

**Please note: In case of high volume of traffic waiting times are possible at the Check-In!** All vehicles must depart the exhibition grounds as soon as they have been unloaded/loaded. Vehicles that stay longer than permitted may be towed away at the owner's expense. [back](#)

### Advanced set-up 27 - 28 December 2019

Advanced set-up is possible for stands with more than 50 m<sup>2</sup> in size only and must be ordered from the Shop for Exhibitor Services. Advance set-up is free of charge. Please use the Shop for Exhibitor Services to make your reservations by no later than six weeks before the start of the event. It may not be possible to honour orders made after this time. We provide parking spaces on the exhibition grounds for car trailers for a fee. These must also be ordered through the Shop for Exhibitor Services by no later than six weeks before the start of the event.

### Truck parking spaces

### Trade fair 07 - 09 January 2020

### Trade fair 10 January 2020 (last day of the trade fair)

On the last day of the trade fair, entry will not be permitted after 2:00 p.m. From 2:00 p.m. until the start of admission for dismantling vehicles, no vehicles will be allowed to enter the exhibition grounds. Dismantling vehicles should please head to the E1 assembly point at the Rebstock car park. This is the only place where you can obtain a dismantling vehicle pass.

On 10 January 2020 from 3:00 p.m. until 10:00 p.m. a free shuttle bus service will run between the Galleria entrance and Stop 4 (Haltepunkt 4) at the E1 truck assembly point at the Rebstock car park. [back](#)

### Admission for special dismantling vehicles on 10 January 2020 from 5:00 to 7:00 p.m

The trade fair ends at 5:00 p.m. on the final day of the event. On 10 January 2020 from 5:00 to 7:00 p.m., we offer you the opportunity to remove small items in advance of general admission for dismantling vehicles. We will be issuing a limited number of special dismantling vehicle passes for cars and vans up to 3.5 t gross vehicle weight rating during last two days of set-up and during the trade fair itself until all have been taken. You can obtain these special dismantling vehicle passes at the Central Information Desk on Level 02 of the Torhaus by signing a declaration that you will be charged an additional €200.00 when invoiced for your ancillary costs if you do not leave the exhibition grounds with your vehicle by the deadline specified in the pass. Special dismantling vehicle passes will only be issued to exhibitors upon presentation of an exhibitor ID and customer number. The number of these passes is limited to a maximum of 400, so we recommend that you obtain yours as early as possible. They cannot be ordered in advance. The issue takes place from 05 January till 10 January 2020 between 10 a.m. and 2 p.m. Entry starting at 5:00 p.m. and departure by no later than 7:00 p.m. are only possible at the gate specified on the pass. If you leave the exhibition grounds with your vehicle by 7:00 p.m., you will not be charged for your special dismantling vehicle pass. For departures after 7:00 p.m., your pass serves as your receipt and we will include a €200.00 charge with your ancillary costs invoice. Please note that you will not be able to use the goods lifts due to the fact that the removal of the aisle carpeting from the exhibition halls and delivery of empty packing materials by the Logistics Service take place at the same time. [back](#)

### General admission for dismantling vehicles on 10 January 2020 after 8:00 p.m.

This is the only place you can receive your dismantling vehicle pass to enter the exhibition grounds, and it is the only place where police will permit and direct entry starting after 8:00 p.m. Access from other streets will not be granted until all of the vehicles from this area have already entered the exhibition grounds. It is only after this has occurred that cars from the car parks on the exhibition grounds will also be permitted to drive to the halls. [back](#)
