## Parking and traffic regulations „at a glance“ Light+Building

### Registration during set-up and dismantling

Exhibitors, stand construction companies and freight forwarders can register in advance online, allowing them to easily download and print their own registration confirmation form. You can drive to the specified Check-In with this registration confirmation form. Please follow the signs. The registration information will be scanned in at the Check-In, where they will determine whether a loading zone is available for you. As soon as a loading zone becomes available, you will be given an authorisation form allowing your vehicle to enter the exhibition grounds, along with the gate through which you should enter. The direct link to the online registration is:

**Please note: In case of high volume of traffic waiting times are possible at the Check-In!** All vehicles must depart the exhibition grounds as soon as they have been unloaded/loaded. Vehicles that stay longer than permitted may be towed away at the owner's expense. [back](#)

### Admission for special dismantling vehicles on 13 March 2020 from 5:00 to 7:30 p.m.

We will be issuing a limited number of special dismantling vehicle passes for cars and vans up to 3.5 t gross vehicle weight rating during last two days of set-up and during the trade fair itself until all have been taken. You can obtain these special dismantling vehicle passes at the Central Information Desk on Level 02 of the Torhaus by signing a declaration that you will be charged an additional €200.00 when invoiced for your ancillary costs if you do not leave the exhibition grounds with your vehicle by the deadline specified in the pass. Special dismantling vehicle passes will only be issued to exhibitors upon presentation of an exhibitor ID and customer number. The number of these passes is limited to a maximum of 400, so we recommend that you obtain yours as early as possible. They cannot be ordered in advance. For departures after 7:30 p.m., your pass serves as your receipt and we will include a €200.00 charge with your ancillary costs invoice.
