Registration during set-up and dismantling

Exhibitors, stand construction companies and freight forwarders must register in advance online, allowing them to easily download and print their own registration confirmation form. You can drive to the specified Check-In with this registration confirmation form. Please follow the signs. The registration information will be scanned in at the Check-In, where they will determine whether a loading zone is available for you. As soon as a loading zone becomes available, you will be given an authorisation form allowing your vehicle to enter the exhibition grounds, along with the gate through which you should enter. The direct link to the online registration is: <https://gateway.messefrankfurt.com/>

Please note: In case of high volume of traffic waiting times are possible at the Check-In! All vehicles must depart the exhibition grounds as soon as they have been unloaded/loaded. Vehicles that stay longer than permitted may be towed away at the owner's expense. [back](#)
