Fee for the entire Kap Europa for one day				28,200.00 EUR

The building can either be booked in its entirety or on a level-by-level basis (Levels 1, 2, 4).

Set-up and dismantling days at the Kap Europa are charged at 50% (0.5 days) of the daily fee. All prices shown are net per day and do not include VAT at the applicable rate.

Kap Europa Prices

Services included

The following services are included in the fee:

Basic seating/furnishings

- Standard furniture (tables and chairs) in rooms and halls, regardless of whether it be theatre, banquet or classroom seating, as well as a lectern
- Stage platforms (20 cm) in the rooms and in Plateau hall (subject to availability), one stage each in the Meridian hall and Horizont hall (8 x 4 m), 60 cm or 80 cm high
- 40 high tables in the foyers of Level 1, Level 2 and Level 4

Changes to seating that are implemented on the same day or on one of the following event days, as well as furniture and furnishings not included in the standard package, will be invoiced separately.

Technical equipment

- Free utilisation of the basic sound system (insofar as one has been permanently installed in the conference room), including a microphone at the lectern
- Presentation surfaces in all halls and rooms
- One projector per room, exceptions: Meridian hall and Horizont hall
- The permanently installed media bars can also be used by external technical firms free of charge. The statical inspection is invoiced separately

The installation of cross beams using the building's own suspension points can only be performed by Messe Frankfurt's service partners and is invoiced separately.

WiFi

(from the beginning of set-up to the end of dismantling):

- Standard WiFi in all event areas
- Up to 5,000 devices can be logged in simultaneously
- Data transfer of up to 5 Mbit/second per user
- SSID "Congress WiFi" with standard start page, protected by content filter
- E-mail login procedure for duration of 24 hours (data is not saved)

It is possible to upgrade to the "Premium WiFi" package for a fee.

Cloakroom

- Cloakroom staff (Level 0)

Consumption-based services

- The full provision of electricity (100 % "green power"), water, heating and cooling, cleaning, toilet servicing and hall service
- In the case of accompanying exhibitions, the aforementioned consumption-based services are included in the usage fee

Electrical connections

- The existing floor sockets and electrical columns (230 V) in the foyers, halls and rooms, consumption included

Additional power connections as well as highvoltage connections will be charged separately.

Waste disposal

- Disposal of up to one ton of waste for each level rented (does not include hazardous waste)

Marketing services

Kap Europa Prices

- If desired, the event will be published on our website.

Duration of use

- The duration of use commences at 7:00 a.m. on the first day booked and ends at 10:00 p.m. on the last day booked

Any usage before or after these times will be invoiced on an hourly basis.

Additional facilities, technical equipment and personnel requirements are invoiced in accordance with separate offers and are not included in the daily fee.
